The Story:

Lexi is very friendly and welcoming. A good kisser and with a lovely body. Her OWO is sublime, really got me going. I wanted to return the favour but I have a beard and she didn't want me to because of it. This was a big shame as I love pussy licking. No fingering allowed either which was a downer. The sex was missionary and really good and there was no rush afterwards. All in all it was a very pleasant punt with a very pleasant and attractive lady but I was disappointed not to get any pussy contact with my mouth and fingers.
