The Lady:

Nice long legs, great tattoos and looked a little different to her pictures on the agency website but still very sexy, tight firm bum and looked younger than her age on the website i'd guess 21/22.

The Story:

I had a great evening with Jenny she is a very entertaining girl with a fun and flirty personality so she was very easy to get along with.

She was very good at role play and came ready with the outfit I requested she wore for me.

There was no tension when Jenny turned up and she leaned in for the kiss as I told her to come in which was nice and unexpected.

In the bedroom she was wild, kinky and very noisy and she didn't look like she had anywhere else to be which makes a change.

Very adventurous girl who allowed me to try many different positions from missionary to reverse cowgirl.
