The Premises:

This is a nice place between Earls Court and Gloucester Road. Easy to find, quiet and very comfortable. Inside was spacious and warm. Shower was very nice, with clean fresh towels etc.

The Lady:

Rodica is a lovely looking girl, looks just like her pictures. Very slim, with a nice body and a tight firm ass! She's around her mid twenties I'd say. Speaks pretty good English, friendly and obliging. Was very well dressed for our appointment. Have actually seen her before, but through another agency. She goes by the name Antonia too, as well as many others I'm sure!

The Story:

Started out with some playing in front of the mirror. It's a mirrored wardrobe, but it's right next to the bed and covers the entire length, so it allows a great view throughout! She was standing in her little black dress and red heels. This made her ass even firmer and it felt great to lift her dress over her ass and get a good feel of it. Nice and soft skin. Very sexy. She undressed and led me to the bed.

Proceeded with some lovely OWO. Nice technique and eye contact, all very enjoyable. Just as I had remembered her last time I saw her. Eventually moved onto some cowgirl action when we covered up. She's very good at this and allowed me to do a bit of thrusting (unlike some of the girls who can tend to restrict your movements in this position). Swapped to missionary for a while, then into doggy. Here she struggled a little as I pushed deep (I'm a bit long for some), but she still went for it. She seemed to ease into it and really enjoy herself in this position. Looks great in the mirror like this.

I'd already decided before I arrived that I wanted what she did last time I saw her. Last time I never even had sex with her, she just gave me great OWO and massaged my manhood into an amazing climax. I asked her if she would do this again and she was pleased to oblige. She does this so well, with a generous helping of oil. No rushing it either, nice and sensual and slow. The perfect ending in my book!

Would certainly see her again (well, that's twice now) Lovely girl.
