The Premises:

Easy to find place about 5 minutes walk from Victoria station. The apartment is of the usual high standard from House of Divine and I had a nice shower.

The Lady:

Jess is an attractive raven haired petite Romanian with a lovely smile. Lovely natural breasts and a shaved pussy. Speaks perfect English and makes you feel relaxed when she walks in.

The Story:

Jess walked in exactly on time and greeted me with a kiss on the lips and then we sorted out the money. Straight onto the bed and she gave me some lovely OWO with plenty of eye contact and nice smiles. Onto a brief 69 and then onto sex. We started with missionary position, which was lovely and slow, and then moved onto the main reason that I booked her. Her cowgirl is legendary according to reports and she did not disappoint. She rode me enthusiastically for a few minutes but sensing time was running out, I went on top again before pulling out and wanked myself while she lie on the bed with a legs apart playing with her pussy. I eventually came and it was a happy ending indeed to a very fine half an hour with such a lovely, attractive girl.
