The Premises:

As described in numerous other reviews.

The Lady:

Apple is tall, slim and beautiful. Very sexy body, I wasn't disappointed (as I often am with other girls when meet them in person for the first time). To be frank, her photos on the site still look better than her in real life - but these photos show such a perfect model that you should suspect they are just too good to be true. But it's not important since she is still a stunner, I'd say more beautiful than at least 95% of other HoD girls or other escorts.

The Story:

Great attitude, great sex. She did all I wanted. Her skin is so smooth (and has no body hair at all), even putting arms on her turns me on. In short, one of my best experiences with HoD girls. I took her again since the date I put in this review, and again she satisfied me 100%.
