The Story:

The sex was bad. Jess said she didn't like deep penetration, and no I don't have a large dick, it's average. She couldn't have sex in one position for too long, "too long" being "10 minutes" (certainly not my definition of "too long"). And I don't like changing positions every 5 minutes. Due to this I couldn't come in the allotted time (I have no interest in cumming by hand which she offered, I'd get almost no pleasure from this so I'd better save the tension for another, more enjoyable encounter). It's a shame really. I can't even say that her attitude was that bad, she tried to be nice to me at first. But it seems that her idea of sex is very different from mine. I didn't ask for any complex services, just traditional sex with her on top, how hard can that be? She tried to say something along the lines of "if you were a girl, you would understand", but she didn't know I have quite an experience in this field. I've been with hundreds of sex workers in my lifetime, and almost all girls are fine with what I like. So – not recommended. Luckily, Viva in another HoD location saved my day.
