The Premises:

As described in numerous other reviews.

The Lady:

Very nice body. Not very slim, but not too fat either. Very, very nice boobs. However, she has quite some body hair (on her legs and such) which she doesn't seem to care to remove.

The Story:

Unfortunately, the service was not great. Dollar seemed to be completely disinterested in what she was doing. Everything was quite mechanical. She hardly smiled once during the whole session. Sex was okay, but nothing more than that.
