The Premises:

Great place, easy to find in Fanny Stratford. Parking's good, place is clean tidy and safe.

The Lady:

Not too tall, I'm a shortarse, but beautiful looking. Very nice eyes, very pretty in an effortless way. Clearly looks after herself and goes to the gym a lot. I would like to wrestle with her one day. Some nice discrete tattoos as well. Clearly intelligent and someone I could definitely take out on a date, not that she would go with me lol.

The Story:

Not my first time to Ego but Livvy is new so I thought I'd give her a go. Couldn't have made a better choice. Stunning looking with and without her clothes, she immediately put me at ease. Face down on the couch and I could feel her breast rubbing against my back, nipples good and hard really turned me on. Boobs are enhanced which is absolutely my thing and as things progressed tickling my balls and a few reach unders to get me totally on edge. On to my from and you are allowed some light touching. Nothing but touching is allowed and even when I tried she was so polite but firm about it. Plenty of oil and we were in business for some heavy breathing from both of us as things got excitable for me. She kept me on edge for ages until I was allowed to cum all over her boobs. What an experience, what a lastly. A great new asset to the Ego club and one lady I will definitely be back for more.
