The Lady:

Nicola is about 5'7 , mid twenties, lithe but curvy body - slender but sexy tanned curves. Nice arse and thighs. Wavy shoulder length brown hair, very cute and smiley woman, lots of laughs.

The Story:

Well this turned out to be a great GFE. I was greeted by Nicola she had a red outfit which she disrobed revealing her sexy body which I had already admired on social media. We began kissing and straight away we were in tune. It was rhythmic, sensual at times and when the kissing got a bit more raunchy and full on, well that was part of the moment.

As I mentioned, it turned into a heavy gfe session. Bodies locked together, lots of hugging and grabbing that arse as our lips were locked. She was quite tender as well kissing my neck, chest and face.

She sucked me off (owo) as I lay on the bed but did advise no CIM. I reached out and felt her tits and pussy while she had my cock in her mouth and then she moved to 69. We changed positions and I placed my head in between those gorgeous thigh, licking and caressing then as my tongue guided towards her pussy. My tongue did the rest.

We fucked missionary (with condom) and it was just like above, very intimate, loads of kissing and close bodies.

First time with Nicola, and all in all a very cute, sexy woman. Very chilled, easy to talk to who also enjoys sex and is very giving in the bedroom
