The Premises:

Very nice, clean flat within an apartment block only a 5 min walk from Pimlico station, shower facilities were available too.

The Lady:

WOW just WOW is how I would describe Keaton and if you follow her on twitter then believe me she is even hotter in person and if you are wondering what her face is like-its absolutely beautiful and her smile just makes you melt and at the same time make you rock hard instantly! She is about 5'8 but came in with her sexy heels on making her about 6' and has a very strong, toned powerful and sexy body which she just loves to use on you! She has big natural boobs which she loves being kissed and rubbed and legs and ass to die for. Her skin is very soft and smooth and even though it was a very cold day we were both sweating after about 5 mins-basically she is a perfect TEN in my books physically and she is also a very sweet and friendly girl before becoming just a little bit of a devil on the bed ;)

The Story:

It was a very easy place to find and also very discreet and was greeted by a very friendly maid on arrival and was asked if I wanted anything to drink and was then shown to a very nice, warm seductive room where I waited excitedly for Keaton to come in and when she did I was completely blown away with her pure sexiness. She wore a hot body stocking and heels which showed off all of her beauty and greeted with me a kiss with those oh so kissable lips. I tried to book her for an hour but unfortunately the rooms were booked till 12 so had to settle for 30 mins but will have to see her for an hour next time coz of all the hot things we did together (and I won't go into too much detail on here) I would just love to do for much longer next time! She is an absolutely fantastic, passionate kisser which we enjoyed throughout all the various positions we shared and my favourite was having her perfect body riding me while I stroked her beautiful big natural boobs and watched her writhe with ecstasy. I knew I would cum if I took her from behind and the time just flew by so that's what we did and I came so hard after she so skilfully took my now bursting cock in her mouth and used that and her hands and enjoyed my huge hot load spurt all over her perfect boobs which I think she liked quite a lot? Would have loved to have spent much more time with her after too but she was unsurprisingly very busy because she is a genuinely very sweet and friendly girl. Would I

recommend or want to see Keaton again?-HELL YEAH!-I cant wait!
