### The Premises:

Apartment in a block close to Bayswater station. Inside it was quite cosy, tidy enough, but the bathroom was a bit of a state.

### The Lady:

Emma is the same girl in the pictures but there has been some touching up. I'd say Emma was in her early 30's. She has the same long hair, but it really could do with a good wash in my opinion. Nice body.

### The Story:

Service was pretty standard really, and I suppose what some would expect from a girl at this rate. Problem is though, I've had a lot better at this rate. Don't get me wrong, she was nice enough and not rude, but most of it felt a bit rushed and clinical.

I gave Emma an extra £50 at the beginning of the meeting for CIM because it said so on her profile. She said this was fine, but when she got down to what I thought would be OWO (kind of necessary for CIM!) she put a condom on. I asked how I was supposed to CIM and she said she would take off the condom at that time. Since it also said OWO on her profile, alarm bells should have rang there and then, but the "other brain" was by then engaged. I took her at her word, and it didn't look like I'd get the money back anyway, since she scurried off with it at the beginning of the meeting!

Anyway, her oral wasn't too bad with a condom. This lead to me giving her oral (which was about the only part she didn't seem to want to rush). She got into this and sat over my face. Went onto cowgirl, which wasn't too bad. Then doggy, but I was "too long" for her sadly. This gets on my nerves sometimes, because I'm never rough at all.

Went back to what I thought was oral, but she took off the condom. I thought my luck was in, but it turned out to be just a handjob and no OWO as I had hoped. When I announced I was coming she attempted to position herself so that I couldn't see and she just moved her head a little closer. But didn't even attempt CIM.

Now, I wouldn't usually mind too much, but when they say they will and you pay extra, that's what you should get. Agency were mortified at what she did and they told me that she lied about what she said she would do on the website. This is apparently quite common. Angels of London are always good when I book, and very efficient, which is why I use them. They said that they may even take her off. So I'm not sure you'll be able to see her anyway. But there were certainly going to check her services.

Not recommended – Nice girl, bit devious
