The Lady:

Nicola is elegant, slender, beautiful bone structure. Her face lends itself to the classic black and white photography of Cecil Beaton. In another age he would have stopped her and asked her to be his muse. Her body, slim, sexy and slender.

The Story:

The good news, is that Nicola has chosen to work as an escort and not a model for portraits. She is very good in her work. Friendly, passionate and skilful. Details? It started with a kiss and ended in missionary. Cowgirl, oral and kissing were in between.
