The Premises:

Nice ground floor flat, secluded entrance, on street parking quiet area, easy walking distance from bus station. Inside was very clean with immaculate shower facility.

The Lady:

Absolutely beautiful lady around thirtyish, much better than photos, lovely long dark hair, busty with a very trim figure which was shown off by the tight black sexy underwear that she was wearing. All in Thai Cracker !

The Story:

Texted to say that I was at the door, Rose came to let me in, wow what a good choice, she was so friendly and considerate, had a coffee and a chat, really lovely girl. She asked me to lay on the bed and gave me the most wonderful massage ending in attention to all the sensitive areas. Turned over and Rose continued with the massage together with some fantastic oral and hand relief, very teasing and came to a shuddering finish. The whole experience was magical, this lady is an expert and I just cannot wait to see her again, such a sweet girl !
