The Lady:

Brit, 20 something, above average height, fair haired, slim, small breasts, body art, virtually au naturel between the legs, quietly spoken, gentle mannered.

The Story:

Effy's clearly very popular as it took me dozens attempts over many many months to secure an appointment with her. I only succeeded by booking a day or two in advance, something I can rarely do owing to my hectic work schedule. Even then I wasn't able to get my preferred timeslots.

She came into the room shortly after my arrival and proceedings started as with all the best punts with an embrace, fk and mutual caressing. It took a little while for my fingers to find their way into her panties and discover to my delight a luxuriant bush. This was an unexpected bonus and I was to spend most of our time together with my head between her legs while she carried out owo on me. I also managed to find a little time to enjoy a bit of fk and a quick bout of missionary sex while dfk'ing before moving onto more 69 for the finale. The conclusion unsurprisingly was an extremely powerful cim.

Life is full of surprises as the old saying goes and there's nothing like a pleasant surprise that keeps me searching for more.
