The Premises:

Fairly well-known location, in a commercial / industrial area. However, Madame Shannon has always been meticulous about security. Cottagey sort of place, with a couple of small rooms downstairs and a very large one upstairs, together with another smaller one. I had the large room for this session. Decor, comfort and furnishings are all very fit for purpose. The friendly and helpful Penny was the receptionist of the day, as she had been on the day before, when I had 'phoned to book these two, Anna sight unseen (except for on the website).

The Lady:

I've known Jamillah for some years now, but had never met the other two girls working alongside her, Anna and Tiffany. I was introduced to the latter, for possible future reference, and she turned out to be a highly-fuckable, long-legged, blonde, who said to me, very suggestively, that she did CIM, so definitely one for the near future. Next, I met Anna, a Hungarian with extremely good English, aged circa mid-late twenties, and a size 10 body, which, I was soon to find out, is beautifully firm and smooth, including two gorgeous boobs and ditto buttocks. I needed to make sure that she would provide what I wanted, and she confirmed that she did, indeed, do DFK and OWO. She also said that she didn't like fingers inside. I'll say no more about this than that, twenty minutes later, however, I had the pleasure of discovering how wet she had become

Jamillah, of south Asian heritage, is some years older, but has a similarly firm and smooth body, also on a size 10 frame; nothing to choose between them in terms of boob and bottom delights; sizes and firmnesses all very fine indeed.

The Story:

I knew what to expect from Jamillah, of course; Anna was the unknown quantity. They both started as they meant to continue, I'm glad to say. We had a couple of minutes with Anna standing up against me and snogging my face off while Jamillah knelt and gave me great OWO.

I haven't reviewed for a while, because I am past peak-punting. For one thing, my wallet is not so accommodating these days, and, secondly, the flesh is not quite so willing as the spirit! For instance, I know enough to realise that I need to slip my cock inside a woman fairly early on, so I asked Anna to lie on the bed and open her legs while Jamillah unrolled a rubber onto me. Mention

just has to be made of Anna's nether lips. They are beautifully well-sculpted and protrude really well.

After a couple of minutes of shagging, I withdrew and lay down on my back. For the next fifteen minutes, I enjoyed a fabulous turn-and-turn-about time with these two. One of them would give me superb OWO (can't choose between them) while the other DFK'd me and gave me her titties to suck and play with; then all-change. It's difficult to imagine how this half-hour could have been better.

Well recommended, and I'll be back next Friday, if the wallet will stand it. Grateful thanks to the two of you (and, specifically, to my "new-girl" Anna).
