The Premises:

A nice and easy incall booking in a basement apartment in Earls Court. Comfortable and warm inside. The room was quite small, but very cosy. Nice shower offered.

The Lady:

Lesta is definitely the woman in the pictures. I call her a woman here, and I make a point of doing so because she truly is a woman. Make no mistake about it. I'd say that she is in her late thirties - her mid forties. It's hard to say to be honest. There's some touching up on the pictures for sure. A great body with marvellous, real womanly curves. Speaks great English, very friendly and really passionate.

The Story:

I love those Russians because most of them like to kiss properly, not like some of the EE girls I've seen. Lesta was a very passionate kisser. But it wasn't the kissing that topped it all off with this escort. It was her OWO technique. Probably among some of the best I've had from a Russian. Nice and deep (and that's a struggle sometimes), varied and very wet.

Sex was enjoyed in practically every position i usually do it in. The best was doggy that turned into her laying on her front and letting me plough her like that. She really gets into it. I got quite tired to tell the truth and stopped. But Lesta got things going again with some more OWO. This woman doesn't give up. The old chap wasn't having any more of it though sadly, as good as it was. Caused by my other bookings I'd had no doubt during my London visit. I was very tired and a little stressed.

However, Lesta was very understanding and turned the whole experience into more of a girlfriend type affair. She cuddled up close to me and put her head on my chest and we kissed and stroked each other. I told her to turn on her front again and that I would give her a little massage in the last 10 mins or so. She readily accepted and loved the touch of my hands stroking her back and neck. But wait a minute, as i was caressing her ass, the old chap rose to the occasion and started to rub against her pussy. Here Lesta moved against it and started getting very wet and began to moan. This is the way to turn her on guys, it wasn't long before we were fucking again, and this time to a great climax for both of us.

Went well over time and Lesta didn't care a damn. A real nice sensual older woman guys, a good punt!
