### The Premises:

Rented flat in St. Thomas area. Plenty of free on road parking as it was evening. I know the area well and it is plenty safe enough.

### The Lady:

It's well documented just how tiny Beth is, 4 foot 7 according to her profile. Facially I think she's very pretty and her body is in perfect proportion to her height. Nice natural tits with suckable nipples and a trimmed bush. Beth had her hair dyed purple for this tour and looked quirky but still very attractive.

### The Story:

I follow Beth on Twitter and find her very attractive so when she toured Exeter it was too good an opportunity to miss. Booking sent via AW which was responded to swiftly and a mix of text and phone therein. Beth met me at the door wearing the white fishnet body stocking I'd requested and a black dressing gown. Finances sorted and after I undressed Beth joined me on the bed. Light kissing and exploring her body with my hands before the condom went on and Beth gave a decent covered blow job. After a few minutes we moved to 69 so I could taste Beth's pussy. She certainly has a cute little pink pussy and after a few minutes Beth sat on my face as I licked her clit and played with her tits.

We moved onto sex in Spoons at my request which was great as I could still reach round and play with her tits and clit. After a few minutes we moved onto doggy for a fair time before moving onto missionary. Time was pushing on and I asked Beth where I could finish. Her profile lists facials and I asked if this was available. Sure enough Beth was happy enough to oblige and she laid on the bed as I took things into hand and finished on her face. Beth didn't even flinch and we chatted as she cleaned up. A quick chat and a selfie as I dressed and I was on my way. A great time with a lovely lady who is so chilled and great to spend time with. Thank you Beth and great to see you x
