### The Premises:

Well reported venue in Northampton.

### The Lady:

Victoria is a petite Milf. Very pretty face, slim with perky boobs, and great ass.

Don't know why she doesn't have a profile page on the site, but check out their twitter profile for pics on the days she works.

Mia is as per her pics on the website.

### The Story:

Tempted by some of Victoria's twitpics, but slightly concerned by a lack of profile on their website, I called to enquire about the range of services on offer. The receptionist said that Victoria's services were the same as Missy's with the addition of A-Levels. Based on this I booked for the hour and made my way up the M1 to Northampton.

On arrival I was greeted by Missy and shown to the large room on the first floor. After a short wait Victoria entered the room and asking if I had a bag of toys with me, and how long i was staying for. She is very much a petite Milf, really pretty face with a filthy look, slim body with smallish, but perky tits, and a great butt.

As Victoria looked through my bag of toys, she was taken with the cold glass dildo and asked to use it. She promptly rolled over and rubbed the freezing toy over her pussy before inserting it and briefly fucking her pussy with it. I ask if she minded me using some poppers, her response was to open the bottle and take a hit straight away. We started with some DFK as we undressed each other before she knelt down and took my cock in her mouth. I asked for a nappy bag and some tissues for the poppers, which makes it more accessible later when lube is everywhere.

We moved to the bed, where Victoria continued to suck me off as I played with her pussy and gave her butt a firm spanking. She was very keen to use my strap-on and asked to get started with it. I

said that I would need "warming up" before taking much a large toy. With that she moved behind me and started rimming my ass as I inhaled more poppers from the bag. After a short play with a butt plug, she asked again and put the strap-on on. Victoria took another hit of poppers from the bag and started to fuck me with the strap-on whilst spouting a tirade of filth from her mouth. I was in heaven, but really wanted another girl to join us.

Victoria went to see who was free and a short time later Mia knocked at the door. She appeared surprised at the size of the strap-on, but also interested. The next 30 mins disappeared in a blur, with both girls taking turns to suck my cock. I loved having Mia deliver OWO and sucking my balls as Victoria and me took more poppers and kissed.

The finale came with Victoria sucking my cock whilst inserting the strap-on into my ass as Mia stroked me and sucked on my nipples, this combination sent me over the edge and I shot my load into Victoria's willing mouth before she spat it over my cock.

After a clean up from both ladies and shower, I was on my way home.

I would definitely return to see Victoria again and would certainly consider a 3 way punt with her and Missy. Mia delivered a good service, but for me, the 3 way fun lacked any interaction between the ladies which I should have asked about before getting another to join Victoria and I.
