The Premises:

Well reported Northampton venue.

The Lady:

Slim, but curvy and heavily tattooed. Pictures are a good reflection of Missy.

The Story:

I had seen Missy just before her last stint in MK ended a couple of years ago as she moved up North. I had noticed her on the MN website and took the chance to have another punt with her.

As per the pics, Missy is heavily tattooed and has several piercings. Awesome pert tits with pierced nipples.

Once Missy arrived in the room and asked about what I wanted to do, I showed her my range of anal toys and fresh bottle of poppers and her eyes lit up. After I explained that I had seen her back in MK, we had a brief chat about levels of kinkiness before she produced a mask with some poppers and told to wear the mask whilst she set about my cock.

She worked my cock and shaved nutsack before bending me over a rimming my ass. Missy then set about my ass with her fingers whilst telling me to keep on the poppers as she increased the number of digits in my ass. Keen to fuck me up even more, she put on my large strap-on and set about destroying my ass.

I needed a break as the poppers were so strong, but Missy wasted no time in bring my cock back to attention with some fast and deep owo before I shot my load over her pert tits with her fingers deep in my ass.

Cleaned up and chatted about the dom scene and the other place where she currently works.

Missy is absolutely filthy, she is one of top WG's of 2018 alongside Phillipa @ Temptations, and Ella & Michelle @ Annabellas/HOD.
