The Premises:

Fit for purpose ground floor flat near Aylesbury station. Plenty of free parking at flat, or walk over bridge from the station.

Quite location and discreet.

The Lady:

Holly does resemble the pics on per profile, especially her boobs. However, She is has a pear shape figure. So probably about a size 12 top, and size 14 bum and legs. Pretty girl with Blonde hair and a filthy look about her.

The Story:

Decided to sample something new as none of my preferred WG's were available. Was taken with Holly's pictures, in particular her boobs. Called the central number to book, and asked about a strap-on service as they do not tend to list services on offer on the girls profiles. Phoned back to confirm that she would offer a strap-on service and was directed to a flat near to Aylesbury town centre, plenty of parking was available.

On entering the Flat, I thought that I recognised her from some good punts nearly a decade ago, but waited until the end of this punt to confirm.

After confirming that a strap-on service was available, I parted with my punting tokens and stripped off whilst Holly offered a massage which i declined, preferring to get straight down to business. She asked if kissing was ok, and was naked and engaging in DFK.

We moved to the bed where she teased me before taking my cock in her mouth for some great OWO, ball sucking, and rimming. After a while, she began to use some the anal toys that I had brought with me as I fucked myself up on poppers. Holly certainly knew how to use a strap-on and set about abusing my ass as I played with her great tits. Close to exploding, I asked her stop and suck me off. She wasted no time and after some more great owo which was nice and deep, I blew my load.

After Holly cleaned me up, I opted for a shower and we chatted about past punting experiences. Holly confirmed that she had worked in other places and we talked about them and some of the WG's we had both met. She mentioned that she hopes to be working from the St Albans flat soon.

If you are looking for a WG's who genuinely appears to enjoy anal play and strap-on fun, then Holly is well worth a visit, although I would confirm that she has a strap-on with her if you do not have your own.

IMHO, she is on a level with Ella & Michelle @ Annabellas/HOD, and Phillipa @ Temptations in Northampton.
