### The Premises:

Ego Massage is located in the Old Coach House. It is accessed from the service road that runs behind the shops, parallel to Aylesbury Street. It is here that you will find a free council car park. Hence entry to the Old Coach House is very discreet. There is also a free council car park at the corner of Napier Street and Victor Road, about 100 yards from the Old Coach House. The Old Coach House is comfortable and clean. The showers are operated by a push button and deliver a fixed volume of water, if you need more water you have to push the button again.

### The Lady:

Livvy speaks good English, is leggy and has enhanced boobs. In the flesh she is just like her photos, unlike other girls here she has not been photo-shopped. What you see is what you get. Actually you get more than what you see, because her photos do not show what a lovely face she has, nor what an engaging, encouraging smile she has.

### The Story:

The massage started as usual with me lying on my front. Livvy paid much more attention to my neck and shoulders than to my legs, which is how I like it. She did some teasing with her finger tips and nails leading up to a 'reach under'. It was one of the best I experienced, she used both hands, one up between my legs, the other from the side under my hip. Eventually I was invited to turn over. I then fondled her boobs and her pert bottom, this led on to some marvelous breast relief.

After she had cleaned me up, she continued to massage my shoulders, she also rubbed my feet. This made me feel very relaxed. The only other girl who did this for me was Jess. Livvy is a recent addition to the girls at Ego Massage and a most welcome one. She is on my list of girls to see again.
