The Premises:

Parking was plentiful. Located in a terrace block above shops. Access very easy with good communication. Booking was easy and very friendly staff. Excellent shower facilities. I found the place very clean and tidy with very friendly staff. Nicely decorated with everything you need.

The Lady:

Sabrina's beautiful face framed by flowing ginger hair was very welcoming when she entered the room. Here gorgeous soft white legs just went on and on and on. Ideal for wrapping round my body for sure. Her photos on the website summed her up to a tee and I certainly wasn't disappointed. She was around 5'10 in height with a gorgeous slim figure small but stunning breasts and such a cute arse.

The Story:

Having not been to these establishments before I was a little nervous and took my time with the booking. But the whole experience was nothing to be nervous about. It's obviously a well run establishment and Sabrina was very welcoming and accommodating. When she walked into the room she immediately sent my pulses racing. Looking very sexy in her underwear. She gave me the hottest french kiss I've ever experienced before exchanging the necessary business matters before stripping me off and getting me naked doing anything I asked. Bare in mind though fellas I had read her services very carefully and only asked for things from those services. She was very respectful and the whole experience was just great I booked an hour for next week before I left.
