### The Premises:

As described in numerous other reviews.

### The Lady:

Very pretty Brit, 20 something, strawberry blonde, tall, small breasts, curvy figure which will especially appeal to booty lovers, fully shaved, extremely well spoken, polite and sweet natured.

### The Story:

The following was copied from the bio part of April's profile on the HoD website.

"April is a sensuous, educated young lady with a delicious naughty streak. Friendly and sweet, April may appear innocent at first – but beneath that angelic smile is a fiery passion, a desire to play and explore. Open-minded, April is willing to discuss and explore a variety of kinks. A rare gem not to be missed!"

I can vouch for the veracity of every word. She was an absolute delight to spend time so much that I realised as soon as we met that 30 minutes wouldn't be long enough. Sadly I had to dash back to work and wasn't in a position to extend the booking.

April entered the room within a couple of minutes of my arrival, which I like, and we nattered a bit to break the ice while I undressed. Proceedings commenced as soon as I was down to my boxer shorts starting as with all the best encounters with an embrace followed almost instantly with fk and then mutual fondling. I was to go on to enjoy owo, ro, 69, footworship, intercourse (covered) in the missionary position while dfk'ing before concluding with cim which she swallowed.

It wasn't a top punt just because we did the things that I like to do but more about her giving the impression that she genuinely enjoyed being with me. And when I asked her to talk dirty, she made it sound as if she meant the things she'd said. It is entirely plausible of course that she is very good at playacting but it was so well done that I somehow momentarily forgot it was a paid encounter.

I left feeling on top of the world saying that I will be back to see her very soon for a longer booking

to which she convincingly "that will be really nice."

What a gem!
