Phone: 01908696559

The Premises:

usual place in Fenny Stratford. Bedroom on the first floor, plenty big enough with mirrors but the bed is knackered.

The Lady:

Talia is an English lady from a family that originated I believe in the Carribean. She is a proper woman shape with boobs 32DD and a bottom that I just love. An attractive lady with a lovely bubbly personality and extremely obliging.

The Story:

Well Tonight I won the lottery! I have done pretty well recently meeting some really lovely ladies and I have had some really good experiences. Today Talia went to the top of my tree. I had already stripped off and was waiting for her to come upstairs. She entered the room in some pink lingerie and asked did I want it on or off. I said off, it's going to get in the way. Talia slipped her bra and panties off and stood in front of me. I asked her about a listing on adult**** and she confirmed it was her. I asked her if the more comprehensive likes list was correct and again she confirmed it was. She saw a big grin come over my face. She said she loves sex and we started to kiss. She dropped to her knees and began to give me a wonderful blowjob. deep wet and sloppy just as described on the website No hands just very good suction plenty of gooey spit and head going back and forth. I looked down she was looking up, Heaven. I looked in the mirror and saw my cock vanishing and then held Talia's head as she had her nose up against my stomach. Oh yes, this girl gives excellent head. I wanted to taste her juices so I said 69 to which she readily agreed. I lay on the bed and Talia started to straddle me. OMFG. Talia's pussy is incredible. I could have stayed there all night dining on it. She has a large clitoris and hood and I just opened my mouth and took it in. OMFG. It felt and tasted so good. I tried to give a mixture of licking and sucking which I believe she enjoyed from the quivering I felt. The licking and exploring of that clitoris was just fucking fantastic. In all my years I've never experienced a clit so large and she said the more she gets into it the larger it swells! oh heaven. We 69'd until I came to a shuddering orgasm and carried on dining until Talias shoulders began to ache . To my amazement I kept my hard on so then we moved to doggy with me standing and Talia kneeling on the bed but the bed is fucked and too low so what was still a fantastic fuck was slightly spoilt by the furniture. I spanked her gorgeous ass both to the left and right and she was fine with this. She then stood up leaning over the bed and we continued doggy

with me grabbing her tits which she loves as well as holding on to her lovely shapely hips and going home as deep as I could. We then had another session of me standing in front of the mirror whilst Talia gave me more deep sloppy head.. Fuck I was just lapping it up. I began to miss her gorgeous pussy and asked for more 69 to which Talia agreed and I was able to just engulf that pussy hood into my mouth and lick it like it was my most favourite ice cream ever and it was melting. Absolute bliss. Again eventually Talias shoulders began to ache and despite the time pressing on she continued to suck my cock for England and St George. I thought I was going to blow a second time but just quite never made it. This is not a reflection on Talia, just me being old! We over ran quite a bit but there was no rushing or pushing me out of the door, everything was relaxed and we had a good chat and banter as I got dressed and then followed her down the stairs. For me she was just fucking incredible. I couldn't fault her attitude or performance . She is a wonderful girl and i'm hoping that she returns as she isn't on any more rota's just yet. So Mr and Mrs HOD, please supply a new bed and make sure you put Talia on the rota for Milton Keynes. I want her again and again. Talia fulfils all my desires so please don't keep her in London. I go back to the days of the Convent in Northampton and in all these years I have never met a lady that ticks all my boxes like Talia did today.

Thank you Talia. You are very special and I hope you come back and allow me to see you again. I've got a hard on and empty balls sitting here writing this and thinking of my wonderful experience with you this evening. Fanbloodytastic!
