The Premises:

Clean, comfortable, well maintained premises with plenty of free parking adjacent and managed in a friendly and professional manner by the maids.

The Lady:

Strikingly good looking, tall brunette, fab pair of legs, naturally endowed with great firm bust, nipples that I love to suck on, peachy bum that I could fondle for hours, very pretty facially and immaculate make up.

The Story:

Greeted with a warm smile and kiss on cheek, finances sorted and watched as Jess removed the obligatory black tunic and sexy lingerie that accentuated those magnificent breasts and I could feel my mini me stirring approvingly at the sight of this. Face down as Jess massaged my back, neck etc and managed to slide a hand or two down below to tease my bum, balls and cock several times. Climbed on my back to rub those fab 32 FF's all over me and leant over me rubbing them into me. Rolled over and now I could feast my eyes on this Finnish beauty and took every opportunity to stroke her bum and breasts rolling nipples between my eager fingers and sucking greedily on them. Plenty of oil drizzled and rubbed in to my nether regions and a prolonged tit wank which was as good as it gets. More oil poured over my member and both hands grasped around him as I was brought to a shuddering climax. A very very happy ending indeed.
