The Premises:

Flat in Bletchley also used by MKE. Large, tastefully decorated room.

The Lady:

Tall, slim red-head with porcelain skin. Definitely the girl next-door type, no fake tan or tattoos, a real natural beauty.

The Story:

I had a great time with Helen, had been meaning to see her for a while and finally arranged a booking.

We started off lying on the bed with light kissing. Things progressed to RO, OWO (really good) then covered sex in different positions.

Helen has excellent English and conversation was easy.

Shame she's not available more often in MK, but I will be booking again for sure.
