The Lady:

Sarah is a very pretty and petite young Thai woman. She has a lovely little figure with superb enhanced breasts.

The Story:

I first visited Sarah in the spring of 2018 when she was very new. I thought it would be beneficial to provide an updated review.

I'm pleased to say that Sarah is still a pleasure to visit. She is warm and engaging from the outset, greeting you with kisses and intimacy. We started off with a shared bath full of erotic fun. Then back to the bedroom for a session of oral, rim, 69 and sex. She finished our time together with a good and expert massage. I will certainly be back.
