The Premises:

Lucy's Kensington flat is warm and clean, literally, a few minutes from the tube station. Shower facilities are available before and after the Tantric Massage service.

There is no lift so you will need to climb some stairs to meet Lucy.

As you might expect in Central London, there is plenty of activity at street level.

The Lady:

Lucy is a stunner. Long brown hair, athletic (36 - 24 36) figure with large breasts (D - Cup). Skin, soft and smooth like velvet and in her heels over 6 feet tall a true Tantra Goddess.

The Story:

Her Tantric Massage service is sensual and her touch is divine, with her magical hands, and oils all my tension disappeared. Lucy knows how to please and pamper you and does so exceptionally well. An experience with Lucy is simply a joy. When you are next in London, visit Lucy and you will receive an unforgettable experience.
