Nice establishment with good parking in Centre of Lutterworth. Friendly ladies on a desk very professional. It a magical place with photos on the wall of the girls and two sexy receptionists who will help you check in.

The Lady:

Holly super hot and gorgeous blonde with lots of really cool tattoos. Blondie super hot and busty tall and tanned mega sexy girl

The Story:

Not going to write too much other than this was the holy grail of punts and two girls. Seriously after many years of spending time with some amazing woman in the UK like Rebecca More and around the world... including leading UK porn stars in Sara Jay, Alexis Golden, Brooke Tyler and Richelle Ryan (all at silly money) Blondie and Holly have now given me now where to go.... I should pack up!

Both girls are adorable, fun and game for a threesome. Anyone reading this should simply drop everything and make a plan to get to Lutterworth when these girls are on together.... they are truly amazing! Porn movie grade fun. Wet pussies, hard cock, sucking, fucking in every position.... pure magic.

From start to finish no amount of words could explain the experience. I'm planning on visiting blondie again this week and making a special trip from Chelsea just to see her. Her body is amazing and she arrives looking like she has just left a club.... tall in tight black micro dress and heels and all over golden tan and huge natural tits bulging nicely from the neck on the dress.

I feel I should keep this a secret but... they are too good for that. Just hope I will still be able boom them both now I have let the secret slip. Thanks to the lovely receptionists for making this happen and allowing both girls to be free to see me.XX
