### The Story:

Finished work early and tried a walk-in. Choice of three lovely women - Frankie, Gia and Cherry. Went for Cherry as she met me just wearing skimpy red panties and her heels and coyly covering her breasts.

Started with gentle kissing, stroking and a chat about what I liked...I said loads of oral. Cherry said that was good but didn't do CIM. She said she wasn't naughty but she was! Great cock sucking and body movement as she glided her magnificent tits over my legs and positioned her cute ass for me to stroke. We then moved onto to her perfect pussy as she spread her legs and stroked her clit. I moved down and licked her perfectly saved pussy. We then moved into some fine fucking, missionary and doggy - Cherry is stunning to look at as she gets fucked. We finished with me wanking as she licked and sucked my balls. Thanks Cherry - a great time and also MKE, first time in that venue - nice experience
