The Premises:

I made the short walk from Harrods part of Knightsbridge to her place. Lovely flat, very welcoming and not like a walk up at all.

The Lady:

Kattya is a classic beauty and plays the part of a high-class courtesan. She has a great bod, great natural breasts and a great smile. This Spanish Senorita was a delight to behold.

The Story:

This Spanish Senorita is a great way to spend an hour or more with. She gives a fantastic blow job and her breasts are made for a tit fuck.

Her bod is made for doggy. Banging her while she thrusts her well rounded bum at you is an image I want to experience again and again.

London has lots of choice but next time I visit Knightsbridge, I might have to give Kattya a call.
