Details of Service Provider:

The Premises:

This was the escort's work place

Easy to find and parking right outside very secluded and used the back door entrance so no nosy prying eyes

Parked car and rang the buzzer and she came and let me in

The Lady:

Beautiful lady - pictures on web site don't do her justice

Lovely slim body and gorgeous breasts

Very friendly -lots of kissing before we started to undress

Originally had gone more a massage and then see what happens

Wasn't expecting sex

The Story:

Once we were in the room there was the massage table and a double bed

She slipped her dress off and I took my coat off and then we went for a kiss

Slipped my hand down between her legs to realise she had no knickers on - very nice surprise and the pussy felt gorgeous

had some deep kissing and then kissed her neck which she seemed to enjoy and then we broke and I stripped off naked and she dropped her top to reveal her gorgeous breast and then laid on the bed with her legs open so I could see her pussy - even better now seeing it laid the

I climbed onto the bed at the side of her and we had some kissing and then I went down on her pussy and she smelled beautiful and then I started to caress her and kiss her breasts which she seemed to enjoy

An orgasm for her followed very soon and I continued pleasuring her and more orgasms followed

She was stroking my cock and that felt really nice

I suggested a massage and went and laid on the bed

She oiled my back and then came and stood at the top of the table next to my head
By now all her clothes were off apart from the stockings and I reached forward to stroke her pussy
and she put one leg on a chair to give me better access

An orgasm for her followed and she said she couldn't concentrate on massaging my back while
she was having such a powerful orgasm - Loved that

I think she had another while she was stood there

I asked her if I was a naughty boy and she said Yes and I said did she think i needed my bottom g
and she moved round the bed and smacked my arse a few times
Then she poured oil down the crack in my bottom and started to finger my arse

she slipped glove on and then shoved her fingers into my arse and started finger fucking me

She reached under and grabbed my cock and balls and it was just heaven having my ABC played
with by this gorgeous woman

Eventfully we retired aback to the bed and I continued to finger her and brought t her to more
orgasms

I asked her if she wanted fucking and she said yes and slipped he condom on and I mounted her
miss style

Her fee were above her head and I pounded into her pussy

I knew I wasn't going to be able to cum and suggested that she suck ne and she removed the
condom and at my request put another on

She mounted me 69 and I had a gorgeous view of her cunt and arse and finger fucked her while
she was over my and I think she had another orgasm while sucking me

thought she was going to bite my cock off with her response to the orgasms

Eventually i came and she stayed there for a while letting me savour the flavour of her arse and
pussy

She cleaned me up and we had a cuddle on the bed before it was time for me to go

Beautiful lady
Will be back to see her again - she is amazing
