### The Premises:

Good parking and easy to find, just outside Telford and not far from the M54. Nice flat.

### The Lady:

Just as her photo's, Helen is a stunner, with great breasts, cute ass, and a brilliant sense of humour. Short in stature but very much a real find. Well worth paying attention to her needs to get a response that will please!

### The Story:

After about 20 years of visiting Helen, this was a pre-arranged visit, just the day prior. Good communications as always, and happy to see me even though I was 15 mins early (Keen to do the deed!). Met with a kiss and cuddle at the door and then up the stairs (view is arousing) and into the bedroom to do the paperwork. The details of the meeting are between Helen and I but safe to say we explored several of both my and Helens preferences, in which she is eager to please, and very capable. Satisfied ( me) and fully relieved, we parted with a long kiss and a cuddle again. Still my favourite punt. Thanks Helen!!
