### The Premises:

Nice and easy place to find in Bayswater, not too far from the tube station. Discreet and easy to access. The flat was very comfortable. Showers were good, with fresh and clean towels.

### The Lady:

Cybelle is visually stunning. Looks just like her pictures. She's 22 years old. Has a great body and a lovely smile. She speaks very good English and she's really very attentive and kind.

### The Story:

I'll start by mentioning the negative points about the booking. This has become a common problem for me lately, as you will see if you read any of my other reviews. Her service was not as her profile suggested. It says OWO CIM, and of course you can't very well have CIM with the former. So that was disappointing. When I asked her, she said she didn't do it. After speaking with Angels of London afterwards they confirm that they had written her extra services according to what she told them. They said they would change it and they apologised. I've said it before and I'll say it again, this isn't something they have control over, so it's not really their fault.

We started things off with a nice back massage. During which, Cybelle asked what sort of things I liked. We had a nice relaxing chat during this time. She is a confident young woman who clearly aims to please. Her massage quality wasn't the best, I have to say, but it was still a nice way to begin.

After she asked me to turn over, I was clearly ready for some more attention. This was when Cybelle reached for a condom and I had the initial disappointment I just mentioned. However, what followed was actually some pretty damn good oral. Lots of eye contact and smiles, different techniques and good use of her tongue in various areas. Really very good.

Moved onto her favourite position – reverse cowgirl – and I have to say that the look of this young beauty in this position was wonderful. She really got into it here too, close to climax. Her climax came however in missionary. She played with herself whilst I carried on in this position and it was such a turn on to see and feel her do this that I came not long after. A highly enjoyable session!

I recommend her, but not to anyone who must have OWO
