### The Premises:

Easy to park nearby. House is at the end of a no through road.

### The Lady:

Never got to see her!

### The Story:

called Ruby the night before to confirm the booking and she confirmed. When I arrived at her postcode on the morning I sent a text to ask for the house number and got no response. I then tried calling her with no response. I never got a call or anything to explain. She is still advertising on AW but is a time waster. Don't waste your time.
