The Story:

First time at 50 shades and after reading Kimmys profile thought she sounded great.Arrived on time to be told she running late (about 20 mins) Shown in the room,long hot shower then in she came.Words like amorous,passionate kissing, and perfect for a GFE enthusiast are used on her profile but she did absolutely none of the above,infact during my time we didn't kiss once,not even on the cheek as an introduction.Was charged an extra £20 for OWO but before she did she spent over a minute wiping me throughly with a wipe despite just being in the shower.Gave me a little unenthusiastic oral then asked if we could 69,she replied that she didn't like oral ! WTF ! Then on with a condom for a little more oral even though she's charged me for without.Her on top,me on top,decided to get it over with,5 minutes of awkwardness on the bed before getting in the shower again (only me) dressed in silence then left.Terrible.
