The Premises:

A second floor flat in a quiet road. It has a discreet, buzzer entry and is very near Whitechapel tube.

The Lady:

A very friendly Polish girl with a slim, but curvy figure. Her blue hair was definitely eye catching!

The Story:

I have been to this address before a couple of times to see different girls. It is very clean and comfortable and there is a shower facility. The session consisted of uncovered oral and sex in doggy position. The oral was a bit too vigorous so I decided to pay closer attention to Rosie's natural breasts and pink nipples. The sex in doggy was good and I was relaxed and in full control. Rosie was wearing black hold up stockings and that was an added bonus. In all a good unhurried session.
