The Lady:

Very charming and sexy young woman, very petite, height around 5' 4", with smallish tits, but with a lovely bum

The Story:

A very lovely young woman, did not stop smiling as soon as she entered the room, immediately started kissing and fondling, this lady has a lovely little tuft of hair, just above her clit, just enough to tickle your nose, must have hit a few good spots because basically she got up and put the hood on and wanted doggy style, I am always willing to oblige a lady, Gia is quite vocal during sex and likes to go through different positions, including her on top, which she stopped suddenly and gave the old man a hooded bj which lasted a few minutes, then just slammed back down on me, ended up in the missionary with her legs over the shoulders to a very satisfying orgasm

All in all a great punt
