The Premises:

easy to find, parking ok.train station nearby,also bus will drop you in cotteridge then short walk.area is ok.flat is very untidy.

The Lady:

for once photos on Viva Street actually match the lady! about 5ft 4in in height, little bit of a belly,English lady.

The Story:

puts condom on while I was still soft, then gives you oral till you are erect,to be fair oral not bad but prefer to be hard before condom goes on.only one position offered for sex - missionary. was ok,but not doing it for me so finished off over her boobs.nice enough lady,but generally go for ladies in their fifties or sixties, will stick to them in future.
