The Premises:

Clean, well maintained, shower facilities available, top floor room with large comfortable bed and strategically placed mirrors. Plenty of free parking close by. Very friendly maid. Also introduced to Frankie who is friendly and sexy.

The Lady:

Elegant, pretty, leggy, brunette, great naughty smile, very friendly indeed, lovely tight bum, pert breasts with very suckable nipples that respond to sucking very well.

The Story:

Introduced to Chardonnay in kitchen and knew I had made a good choice. Had intended to try most items on her 'menu' but got sidetracked by her outstanding oral skills, so plenty to try next time. Chardonnay is a great kisser and we kissed and fondled standing up for quite a while and mine certainly enjoyed this and the stroking of my balls and bum. Chardonnay positioned us in front of the long mirror to have a perfect view of the action and her owo was just sublime and as good as it gets with great eye contact throughout with serious attention to my balls and bum and didn't want it to stop so checked with Chardonnay that CIM was ok and she just sucked me dry before some very erotic snowballing. This lady excels at everything and can't wait to see her next time to go down on her, rim that pert bum and have her use her strap on.
