The Premises:

Nice, clean and friendly flat, easy to find.

The Lady:

Young northern girl, plenty of tattoos and huge boobs.

Medium build, dark hair.

Pictures on website are a good likeness.

The Story:

Arrived on time and was shown to a room.

Shortly after flora arrived in and greeted me with a smile and a kiss.

After the paperwork was out the way I got undressed and she asked me to sit on the bed.

She asked if I like big boobs, which I do but these were just so huge.

She took off her bra and I had a little play.

She then went down for a bj and was sucking nice and slow with a good technique.

She then went to the balls, her tongue made its way down even further and her tongue ended

With rimming my arsehole.. which felt amazing.

Bit of advice.. she doesn't like her head being pushed down!

She then continued with a handjob with a bj to follow.

She continued to suck me for a further 15mins before I emptied my load into her mouth.

Very good orgasm.

She then chatted to me as I got dressed and was very good to hold a conversation.

I didn't feel like having sex with her and a bj was good enough I thought.

Overall a good session 5/10 in my opinion.

Recommend.
