The Premises:

All good here and very well managed by Coco.

The Lady:

Described on her bio as a busty cougar but there is so much more to Olivia. She is beautiful, classy, sophisticated, playful, welcoming, friendly, sexy as hell and has a fantastic body. Lovely legs, an amazing rack with pronounced nipples that beg to be sucked and fondled, great pair of legs, nice bum, what more could you wish for.

The Story:

Greeted as a long lost friend with a lingering kiss and a squeeze of my balls and more deep kissing as Olivia peeled herself out of her dress that could barely contain her magnificent breasts and my good what a fine pair they are and I went straight in to suck one nipple and squeeze the other. Oral on me as I sat on the side of the bed was just perfect and after more kissing and fondling I lay on the bed as Olivia devoured my hard cock and played with my balls and bum. Had to have a 69 so I could lick her juicy, wet pussy and bum as she brought me to the edge. Sex in reverse cowgirl as my cock was ridden like a bucking bronco and then cowgirl so I could feast on those terrific breasts as Olivia rode me and grinded into me. Off with the rubber and Olivia wanked me until she had every drop in her mouth, Amazing finale to a fabulous appointment.
