The Premises:

A bit of a rundown terraced house on a suburban road not too far from Plumstead Rail Station.

The Lady:

A very pretty Romanian girl with a really sexy body. I think she is only 21. I would estimate she is about a dress size 8 with 32C, natural breasts.

The Story:

I decided to see Roxanne for the 3rd and final time. I was really looking forward to seeing her, but unfortunately my experience on this occasion was very disappointing. Firstly, Roxanne seemed to be a bit fed up and probably wasn't having a good day. Secondly, I was a bit tired and couldn't keep my erection. She offered little by way of foreplay and it was only the excellent view and feel of her breasts that got me erect. I opted for sex in doggy position, but she was just that bit too high for me to enter her and I lost my erection. Not wanting to push my luck I settled for a slow hand job. Problem number 3, Roxanne hates the sight of sperm so even that made it a bit tense.
