The Lady:

Attractive lady, great personality. Bio matches with web site. Enhanced boobs, too firm to be natural but do look great. She is from Rio and has a great accent, although communication not always 100% on the first go.

The Story:

I guess it was the usual routine, dfk to start, OWO followed by sex in several positions. She was certainly not watching the clock and at one point I was wondering when the real action would start - but it happened soon enough and her no rush approach paid off in terms of maximising my pleasure. We ended up over-running but I don't think she was busy that morning
