The Premises:

Nice and easy incall in London – Bayswater. Tidy flat, plenty of space and cosy. Showers were fine etc. etc.

The Lady:

Juliana looks like her pictures on the website. There is very little touching up going on. She's in her 40s easily, but looks terrific. I knew I was booking a mature escort, but I really didn't expect her to be this good looking. Usual signs of age facially, but not really anything to worry about – she ages very well indeed! She's only been here for a short time, but already speaks pretty good English. Very friendly, genuine and chatty woman.

The Story:

Juliana was wearing a black lacy bra and matching panties, with a black lace suspender belt (minus the stockings which was a little disappointing). She has great legs however, so I was pleased to see those. High heels were worn throughout the booking too, which was quite impressive considering the type of things we got up to!

Began with a sexy slow strip with her back to me, rubbing herself against my cock between her legs. Lots of stroking and rubbing of bits against bits etc. She's quite the tease in this way and it really got me going. Lovely tits. Stunning. Feel really natural, but I suspect there may have been a subtle lift at some point; but all the same they feel and look terrific. Throughout our caressing and kissing initially, she wanked my cock nice and slow, almost non-stop. I loved it! She kisses with open mouth and a little tongue, nice and sensual. A real GFE.

Her OWO is the only thing that wasn't so impressive, but I was so happy with the rest of her I didn't mind at all. I enjoyed some reverse oral too, and she enjoyed it even more. She likes to be stroked and played with sensually, really gets her going. Moved onto cowgirl which she was very good at. First regular, then on her feet (all balancing in her heels on the bed). Then she rode me real hard and fast for a little with one leg down and the other up on her heels, thrusting her hips back and forth. She has a very fit body!

Missionary for a while whilst I kissed her neck and boobs, then doggy, then back to missionary for the finish. A highly enjoyable session that I would certainly repeat were it not for the hundreds of other girls I've yet to see!

If you like older, fit women, then Juliana is a very good choice!
