The Lady:

Pictures are accurate - Pippa is an exceptionally beautiful woman, shoulder length light brown hair, very pretty. Totally friendly and she puts you right at ease. Wore a long black lacey dress which soon came off. Stunning tattoos - reminiscent of Adele from way back.

The Story:

As a regular visitor to Milton Keynes establishments, I think this was the best 30 mins yet. This was a late walk in and I had the choice of three new ladies. Choose Pippa for her face, clothes and attitude- what a milf, cougar but most of all a real woman.

We both undressed and lay on the bed for some very natural GFE kissing and fondling. My cock was soon hard and Pippa worked her way down to take my cock in her mouth but not before licking and kissing my balls and then licking my shaft. Pippa then me the most superb blowjob - brilliant tongue action, deep throat, hands free, and more. After some time, Pippa then asked should we have sex. I said yes but could have spent the rest of the time getting sucked. But having sex was the right decision. I was so hard and Pippa so moist, my cock glided into her pussy easily as she mounted me. Pippa did all the work, riding me and grinding her pussy into me. Pippin seemed to enjoy it and quivered a lot!- I hope she came.

She climbed off, removed the condom and started sucking and wanking me again. I asked her to lick and suck my balls as I wanked. Her ball action was amazing - a strong tongue brought me to an amazing climax.

After Pippa cleaned me up she gave my cock a final suck to, as she said, make sure I was cleaned up.

Thank you Pippa - my best ever visit.
