The Premises:

Cheshire Elite is probably the leading parlour in the area for cleanliness and style, but then as it is the most expensive you expect more.

Slight letdown on this occasion as no drink offered, but to be fair they were having problems with the power, so I'll give them the benefit of the doubt.

Still not as discrete as Alicias, but much better than rival Brooklyns for privacy.

The Lady:

Very slim blonde, about 30.

Unfortunately had injured her hand, so this caused a few problems.

The Story:

The hand injury meant that my intended 69 followed by doggie was not possible, as Sydney could not support her weight. However, had a very pleasant massage followed by good oral with and missionary to finish.

Sydney has a recent nipple piercing on the right breast, so preferred to avoid touching this, understandably.

She also does not like fingers inside or DFK, but everything else was OK.

Overall, good but not memorable.
