The Story:

First time I've used an agency and won't be the last after this experience. Last minute booking after work so I rang up and asked who was available having previously checked the profiles on the schedule. April was my preferred choice and available.

I arrived a few minutes late due to rush hour traffic. Met at the door by April in sexy underwear. Straight in to the creaky shower to freshen up.

Started very slowly with a cuddle and then kissing becoming french kissing and a good bit of touching. I just went with the flow.

Moved on to the bed and I gave April some oral which seemed to be appreciated. April then returned the favour until I exploded.

Plenty of time so I had a short massage before moving onto round 2. Oral, cowgirl, reverse cowgirl doggy and more oral. Great stuff which I enjoyed but just proved I'm no longer able to perform twice in an hour.

I had a great time and will return.
