The Story:

I had my first full service punt recently (the review for this is posted on punternet) and the lady provided me with a girlfriend experience. I wasn't specifically looking for this but it turned out to be the most amazing experience of my life. Afterwards I couldn't stop reliving it in my head. The memories conjured up really turned me on and provided excellent fodder while playing with myself. Though my own hand was satisfying enough while engrossed in these thoughts, I couldn't wait to have another punt so I booked a day off work to go to Milton Keynes. Once again I went through the reviews for all the ones working that day to find the best option for what I was looking for. I learnt that some ladies also worked for House of Divine in London and had a separate set of reviews for this location which gave me more material to research.

Nicola came out in front on account of her long list of shining reviews from obviously very satisfied clients.

When she came into the room with a big natural smile, I knew I had made the right choice. The reviews all said how attractive she was, and I could tell that much from her slightly edited photos, but I was staggered by exactly how beautiful she was. Before long she was in my arms and we were french kissing very deeply. As someone who had always found the dating game difficult - I'd been told on several occasions that I have a face that only a mother can love – I had to pinch myself several times to realise it wasn't a dream. There I was, not only in an intimate position with a beautiful lady, but she was responding with enthusiasm.

After several minutes of passionate kissing, Nicola broke away and went down to give me oral uncovered. This felt exquisite as she sucked and licked. It was just as well I had a quick wank before leaving the house as much as to reduce my nervousness as to help me last a bit longer. Then she put a condom on and asked me what position I wanted her. We started in a slow cowgirl

and I was pleased I was able to control myself. Then we moved onto doggie so I was more in control of the pace allowing me to pound away for several minutes before asking to move to the missionary position. Lying on top of her, I initiated more deep french kissing and after a couple of minutes, Nicola took hold of my cock and put it inside her. The sensations when sliding in proved too much and I started to ejaculate while frantically pumping away to intensify the sensations. When I stopped, I saw her smiling warmly as if pleased I had a good time.

I'm looking forward to my next punt.....
