The Story:

Having read the only other review of Molly I was looking forward to a full on naughty session !
Alas, it proved not to be so. She didn't offer any of the services advertised and in truth seemed uninterested in giving me a decent service. A little fk at my suggestion before oral both ways, 69 and then her on top for sex. Half an hour left and I got the impression she would quite happily spend it making small talk rather than make any kind of attempt at getting me aroused again. Gave her oral again, nothing in return before having sex again until the hour ran out. If you asked me if I'd see her again I would have to say no and left feeling ultimately disappointed.
